Standard Incentives Investment Opportunities

Brake Systems

Brake Systems

Investment Opportunity Description

- ✦ **Establish local manufacturing of automotive brakes**, strengthening KSA's automotive component value chain
- ✦ **Targeted Products:** Brake discs, brake calipers, and associated components

Investment Rationale

STRATEGIC BENEFITS

- ✦ **OEM Supply Integration:** Supplying OEM vehicle manufacturers and the aftermarket with locally manufactured brake systems, supporting quality standards and safety performance targets
- ✦ **Strengthening Supply Chain Independence:** Reducing reliance on imported fire suppression components by enabling local production for both OEMs and vehicle repair facilities, while also positioning Saudi Arabia as a regional export hub for critical automotive safety systems

KEY GROWTH DRIVERS

- ✦ **KSA Vehicle Assembly Efforts:** Growing number of automotive assembly projects in the Kingdom (e.g., Ceer, Lucid, Ashok Leyland) is driving demand for localize brake systems
- ✦ **Aftermarket Demand:** Increasing long-term demand for replacement brake components as the number of vehicles in operation rises across Saudi Arabia
